Opening a tattoo Shop

Introduction – Opening a tattoo shop

The tattoo industry has a range of different customers and tattoo studios.

There are

- 1) the scratcher (Guy at home with no idea, vandalizing his friends) and the customer looking for the free or cheap tattoo
- 2) the customer that likes the back-ally shop with a rough looking shop and tattoo artist
- 3) the customer looking for a quality tattoo from a quality establishment.

Our aim is to uplift the tattoo industry, by providing knowledge and equipment to Professional tattoo artists, aspiring tattoo artists and the tattoo art form.

We can provide you with all the information and equipment to help you establish a business in this exciting industry
